Note:

1. Greige fabric in this list refers to the one that comes out from a loom and that has neither been bleached nor dyed. It is ready for a dyeing project.
2. We can process the greige fabric to be PFP/PFD and dye the fabric to be any colour as our client's request.
3. The exchange rate for RMB/USD is 6.9 in the list and the price can be changed along with the rate fluctuates.
4. The price term is FOB Shanghai.
